

REMARKS

Claims 1-11 and 13-25 are pending. Claims 8, 9 and 24 are being amended. Claim 12 was previously canceled. No new matter is being submitted.

In paragraph 1 of the Office Action, the Examiner stated that the Applicants were not fully responsive to the Office Action mailed July 7, 2005 with regard to claim 9. In response, Applicants have amended claim 9. Additionally, Applicants have amended claim 8 to support the amendments to claim 9.

In paragraph 2 of the Office Action, the Examiner stated that claim 24 should be amended to avoid a 112, 2nd paragraph rejection. In response, Applicants have amended claim 24 by replacing "[t]he method of claim 11" with "[t]he method of claim 21."

The Director is authorized to charge any additional fees due by way of this Amendment, or credit any overpayment, to our Deposit Account No. 19-1090.

All of the claims pending in the application are now clearly allowable. Favorable consideration and a Notice of Allowance are earnestly solicited.

Respectfully submitted,

SEED Intellectual Property Law Group PLLC
